Dear Mr. Norris:

We have completed our evaluation of the armor you submitted for testing in accordance with *NIJ Standard-0115.00* and are pleased to inform you that your model **R2P-III A** (Protection Class – **Spike and Edge Blade**, Protection Level – **2**), as tested, complies with the standard.

At your request, or the request of another party interested in compliance of your armor with *NIJ Standard-0115.00*, NLECTC will provide verification of compliance along with the test results for the above model.

Sincerely,

Kevin M. Merlo
